Directions:

1. Card Base: 8 1/2" x 5 1/2". Score at 4 1/4".
2. Cut a shape (such as a circle) in the lower section of the card front. Keep the cutout piece.
3. Inside Z-Fold: 8" x 4". Score at 2" and 4".
4. Attach the cutout piece to the inside Z-fold, **only to the bottom section**, centering it veer the 2" score line in the lower section.
5. Adhere the inside Z-fold to the card base and decorate.
6. Close the card to reveal the surprise through the cutout!

Tips:

- The cutout piece creates the surprise element when the card is closed.
- Center the cutout on the 2" score line of the inside Z-fold for perfect alignment.
- Try different shapes, stamps, and themes for any occasion!
